The actual value of the RRPT transacted pursuant to the existing Shareholders' Mandate obtained on 26 June 2025, for the period from 26 June 2025 up to the LPD, did not exceed the estimated value of the RRPT disclosed in the Previous Circular by ten percent (10%) or more.

2.7 The threshold of approval of the RRPTs

There is no specific threshold for approval of the RRPT to be entered into by our Group with the Related Party. However, all RRPTs are subject to the approval of our Board after being reviewed by the ARMC. Where necessary, the ARMC and our Board will review the need to impose a threshold for approval of the RRPT, based on market practice and at the same time protecting the interests of the minority shareholders.

2.8 Outstanding amount due and owing by the Related Parties

As at the LPD, there are no outstanding amounts due and owing to the Kucingko Group by the Related Parties which have exceeded the credit term.

As the RRPT contemplated in Section 2.5 involves the payment of licence fees by our Group to the Related Party, there are no trade receivables due from the Related Party arising from these transactions. Payments by our Group to the Related Party are made in accordance with the agreed credit terms.

2.9 Review methods or procedures for the RRPTs

Our Group has in place an internal control system, which includes review of methods or procedures to ensure that such RRPT are conducted at arm's length and are on normal commercial terms and transaction prices consistent with our Group's usual business practices and policies, as well as on terms which are not more favourable to the Related Party than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

The review and disclosure procedures with regard to the RRPT are as follows:-

- (i) A list of Related Parties will be circulated within our Group, and the identified Related Parties shall be notified that all transactions, including RRPTs, with our Group must be undertaken on an arm's length basis and on normal commercial terms, ensuring that the terms are not more favourable to the Related Parties than those generally available to the public.
- (ii) The RRPTs prices shall be determined based on, amongst others, pricing, quality and/or service level, which are available under similar commercial terms for transactions with third parties.
- (iii) Wherever practical and/or feasible, at least 2 other contemporaneous transactions and/ or quotations with unrelated third parties for similar products/ services and/ or quantities will be used as comparison, to determine whether the price and terms offered to/ by the Related Party are fair and reasonable and comparable to those offered to/ by other unrelated third parties for the same or substantially similar type of products/ services and/or quantities, if applicable.

- (iv) In the event that quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, if there are no unrelated third party vendors/ customers of similar products or services, or if the product/ service is a proprietary item), the transaction price will be determined by the Board based on the usual business practices and policies of the Group and taking into consideration the urgency and efficiency of the quality and delivery of the services to be provided to ensure the RRPT is not detrimental to our Group, wherever applicable.
- (v) The annual internal audit shall include review of all RRPTs entered into by our Group and ensure that the established guidelines and procedures in respect of RRPTs are adhered to.
- (vi) Our Board and the ARMC will review the RRPTs on a quarterly basis, to ascertain that the guidelines and procedures established to monitor RRPTs have been complied with.
- (vii) Disclosure will be made in the annual report of the Company of the aggregate value of the RRPT conducted pursuant to the shareholder mandate during the financial year, amongst others, based on the type of the RRPT and the names of the Related Party involved in each type of the RRPT made and the relationship with the Company. Disclosure will also be made in the annual reports for the subsequent financial years during which the shareholder mandate remains in force.
- (viii) If a member of our Board and the ARMC has an interest in a transaction, he will abstain from any deliberation and decision making by our Board or the ARMC in respect of the said transaction.

2.10 Statement by the ARMC

The ARMC has seen and reviewed the procedures set out in Section 2.9 of this Circular and is satisfied that the procedures established are sufficient to ensure that the RRPTs are conducted at arm's length basis, and they are fair, reasonable and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company.

The ARMC is also of the view that our Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner and such procedures and processes are reviewed on an annual basis or whenever the need arises.

2.11 Disclosure in the Annual Report

Disclosure will be made in the Company's annual report in accordance with Rule 3.1.5 of Guidance Note 8 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPT made during the financial year, amongst others, based on the following information:-

- (i) type of the RRPTs made; and
- (ii) names of the Related Party involved in each type of the RRPT made and their relationship with our Group.

3. RATIONALE AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will enable our Group to carry out RRPTs necessary for its day-to-day operations, which are time-sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of general meetings on an ad hoc basis, enabling our Group to focus its resources on strategic and operational priorities. Additionally, the RRPT has been structured on fair and commercially reasonable terms to safeguard the interests of the Company and its shareholders. The sublicense agreement for the use of the TESSR ensures that Inspidea has uninterrupted access to an animation production management software customised to our Group's requirements and tailored to its business needs. This familiarity with TESSR's software and technical support also reduces transition risks, enhances workflow and operational efficiency, and supports our Group's ability to deliver high-quality animation content while maintaining its competitive edge in the industry.

The payment of licence fees pursuant to the software sublicense agreement between Inspidea and Tessereum is crucial for ensuring continued access to the TESSR, which supports Inspidea's core production business activities.

4. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any effect on the Company's share capital, shareholding structure, consolidated net assets, consolidated earnings and gearing of the Group for the financial year ending 31 December 2026.

5. APPROVALS REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to the approval of the shareholders of Kucingko at the forthcoming 3rd AGM.
